

"2023 Twentieth Anniversary Special Award for Outstanding Supplier of the Year" From Dongfeng Honda

- **January 2024**
- **F-Tech Wuhan Inc.**

Dongfeng Honda awarded us the "2023 Twentieth Anniversary Special Award for Outstanding Supplier".

The award was given in recognition of our active cooperation in all areas of QCD over the past 20 years.

We were able to win this award because we were highly evaluated for our response as a global company to the sudden increase in production of the CIVIC/CR-V, with support of our sister companies in Thailand, Japan and other countries, for maintaining stable quality and supply even during the Corona crisis, and for our proactive proposals for new models, such as VAVE proposals for PF3 estimates and comparisons between BYD vehicles, even amid the recent changes in the environment.
