

"Challenging Spirit Award"

From Honda Development & Manufacturing of America,

- March 2024
- F&P GEORGIA, A DIVISION OF F&P AMERICA MFG., INC. (U.S.A.)

We received "Challenging Spirit Award" from Honda Development & Manufacturing of America.

When a failure of supplied parts occurred, FPG, which is in charge of assembly, was recognized for its dedication to fulfilling its responsibility to supply parts to customers by cooperating in the selection activities of supplied parts suppliers and inventory control, despite the confusion. We are honored to receive this recognition.
